## ABOUT ME

I'm a 26 year old aspiring actor making my rounds in NY and trying to be a part of as many productions in theater, film, and tv that I can because there's something I want to express and a meaning I'd like to carry with me. I want to be able to say when I die that my life was poetic. Some of my notable teachers in the past that I've truly had the privilege of working with include: Clarinda Ross, Louise Rosager, Fabiana Medici, Jack Waltzer, Anthony Mark Barrow.
