EXPERIENCE

Children's Hospital, Los Angeles— *Volunteer*

May 2020 - January 2021

As a volunteer, I completed over 30 hours of patient care. I comforted families and made sure they knew their way around the hospital. I worked my way up to volunteering for the surgical floor.

Chiropractic Medical Scribe, Diamond Bar — *Scribe*

June 2019 - July 2021

I shadowed a chiropractor in Diamond Bar for a little over two years. I also worked in the front and back office assisting the Doctor. I worked with EMR systems and I eventually scribed for the Doctor.

Pomona Pain Management Clinic, Pomona — *Internship* September 2021 - July 2022

I just started another internship at the Pomona Pain Management Clinic where I assisted in the front and back office assisting duties. The position consists of customer service, assisting patients, rooming patients, taking vitals, entering data in the EMR system, and assisting office staff.

Pomona Valley Hospital Medical Center, Pomona— *Volunteer*

September 2022 - November 2024

As a volunteer at PVHMC, I volunteer for the diabetes program, emergency room, and do clerical work for the volunteer program. I have learned patient flow boards, how to read medical charts, and the value of customer satisfaction.

St. Jude Medical Center, Fullerton— *Scribe*

November 2022 - November 2024

As a medical scribe, I have performed a variety of essential duties to support healthcare professionals in their daily tasks. This includes accurately documenting patient histories, physical exams, and treatment plans during medical encounters. I worked with EMR Systems and worked closely with physicians, nurses, and other healthcare staff.

American Red Cross, Los Angeles— *Volunteer*

January 2021 - Ongoing

As an American Red Cross disaster response volunteer, I volunteer during fires, earthquakes, and other disasters. When there are no disasters, I volunteer for blood drives and at various shelters.
