

# CREATIVE PORTFOLIO

Simon Jamous

# Hi, I'm Simon Jamous

I'm an actor, writer, and content creator, and this portfolio is a glimpse into my journey so far. Over the years, I've worked on projects that I'm proud of—whether it's acting on screen, creating relatable content, or writing stories that connect with people.

In this portfolio, you'll find:

- Links to my social media where I share my work and ideas.
- A summary of the roles I've played, the stories I've written, and the collaborations I've been part of.
- Highlights of my achievements and the moments that shaped my career.

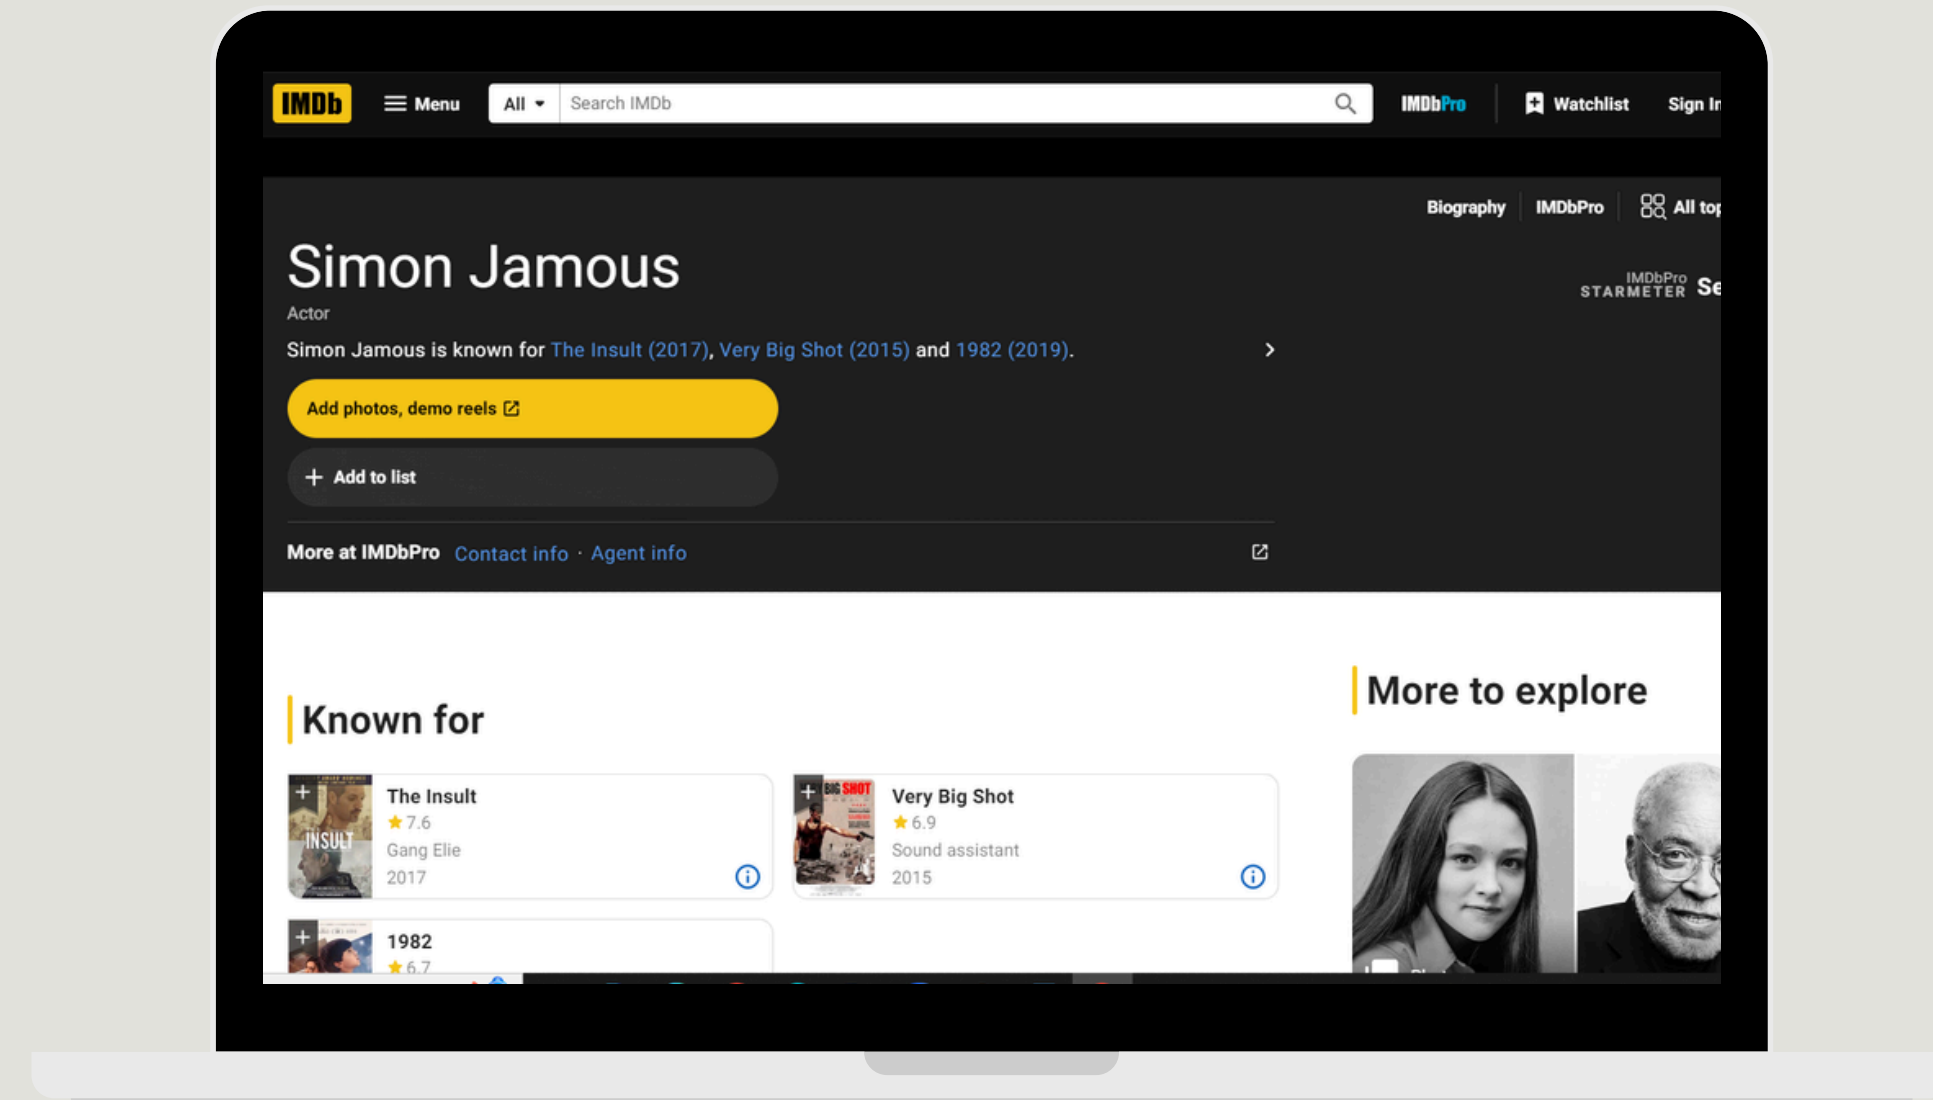

# IMDb Profile

As an actor, I've had the honor of being part of award-winning films like **The Insult**, **Very Big Shot**, and **1982**.

These movies have not only received critical acclaim but were also featured on Netflix, reaching audiences worldwide.

# HowAboutBeirut

I was a key member and a featured prankster in **HowAboutBeirut**, a globally recognized YouTube channel with **over 2 million subscribers**. Starting from Beirut, Lebanon, our pranks reached audiences worldwide, amassing **over 4 million followers on Facebook** and **more than 1.2 billion total video views**.

Our content has been featured on renowned platforms like ***Daily Mail, The Independent, New York Post***, and top entertainment hubs such as ***UNILAD, 9GAG, and the front page of Reddit***.

Celebrities like ***Wiz Khalifa, Snoop Dogg, 50 Cent, etc.*** have even reposted our videos, amplifying their reach across the globe.

# RECREWTING

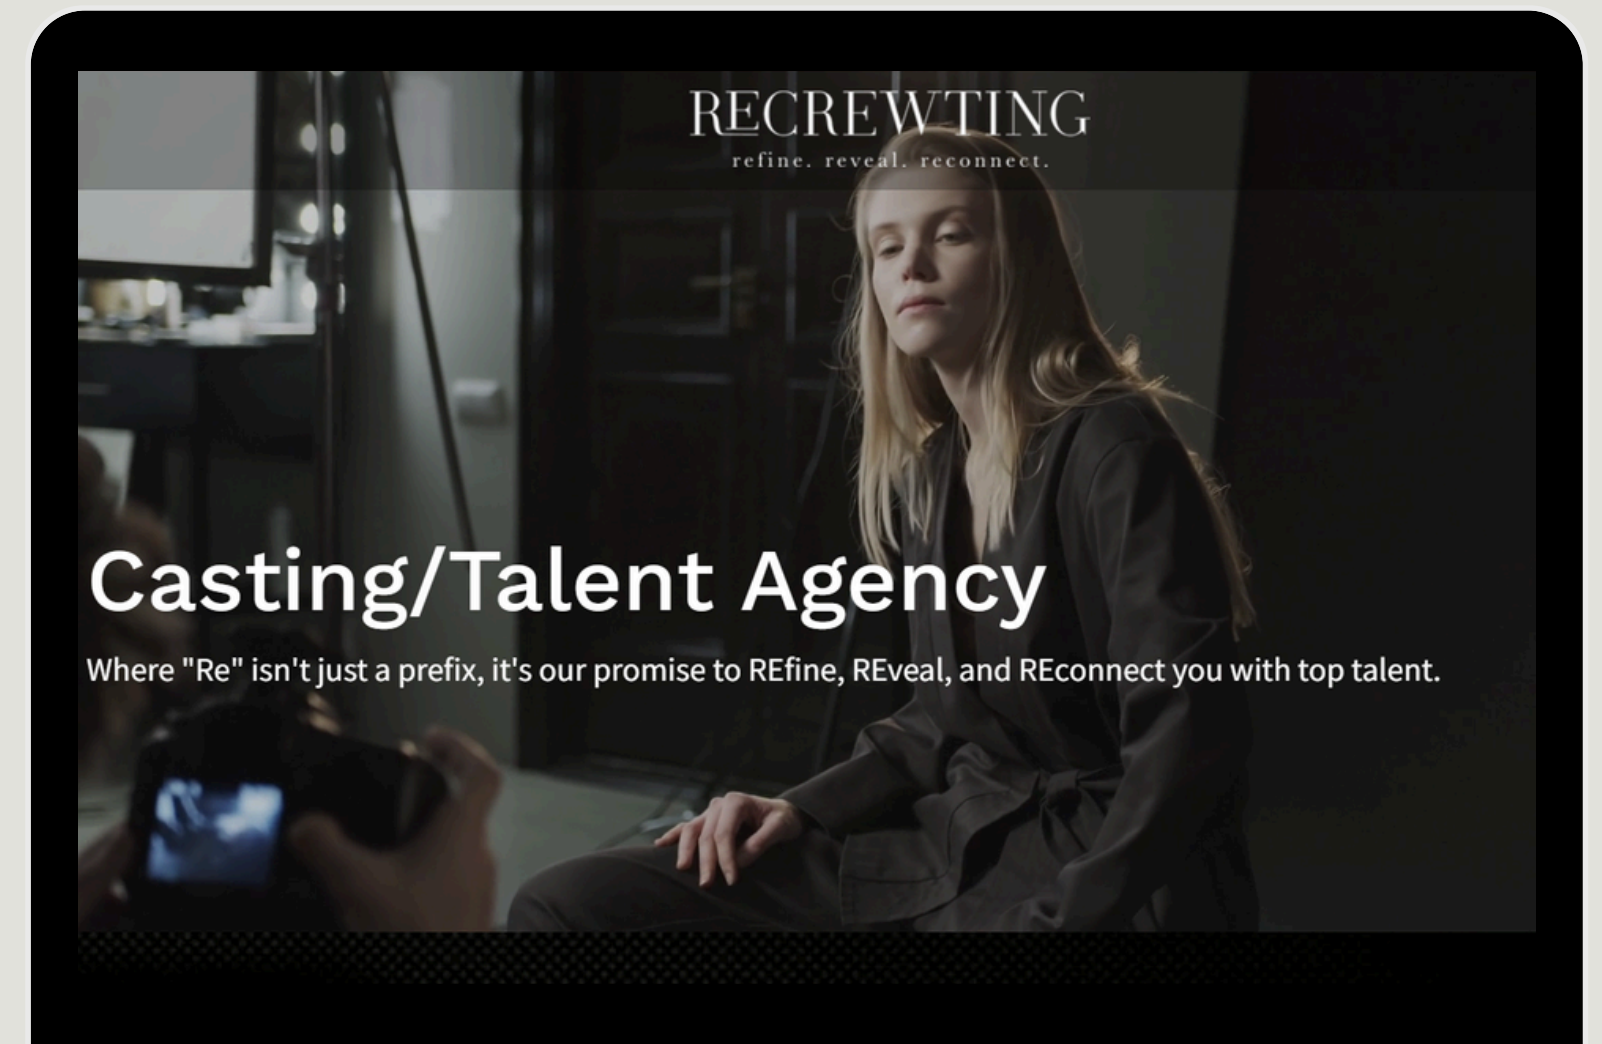

---

I founded ReCrewting to connect talented individuals with exciting opportunities in Lebanon and the UAE. From models and actors to dancers, musicians, and athletes, we've worked with a diverse range of talent.

In just two years, **ReCrewting** has grown into one of the leading competitors in the casting market, earning trust and recognition for delivering exceptional results for clients and talents alike.

# My Personal Platforms

On my personal platforms, I create comedy sketches in Arabic, targeting Arab audiences with relatable and engaging content. I take on every aspect of production—writing, acting, directing, and overseeing the editing process—to bring my vision to life.

With over 30 million total views across all platforms, this passion project is not just a hobby but a way to continuously sharpen my creativity. While I enjoy making people laugh, my ultimate passion lies in writing series and movies that tell impactful stories.

# My Resume

This portfolio highlights some of the key projects I've been a part of, but there's so much more to discover in my resume. From my work in TVCs, short films, and movies to content creation, writing, and operations management, my resume gives a detailed overview of the diverse experiences that define my career.

It also includes my collaborations with top brands, appearances in music videos, and contributions to series and comedy sketches.

Every project has played a role in shaping who I am today as a creative professional.
