About Me

Davina Sterling is a versatile model and creative talent who embodies elegance, confidence, and modern artistry. With experience in high-fashion, commercial, and cinematic campaigns, she is known for her striking presence, adaptability, and ability to bring stories to life across both still and motion media.

Experience

Fashion Campaigns

- Featured in global AI-driven fashion campaigns showcasing luxury couture and high-end lifestyle branding.
- Modeled for concept visuals blending sportswear and fashion-forward editorial looks.

Commercial & Lifestyle

- Collaborated on branded visuals for fitness, beauty, and lifestyle products.
- Skilled in conveying approachable, authentic energy for consumer-focused campaigns.

Film & Media (AI-Generated Talent)

- Appeared in cinematic AI short films and visual storytelling projects.
- Versatile across dramatic, lifestyle, and aspirational roles.

Skills & Strengths

- Modeling Styles: High-fashion, editorial, commercial, fitness, lifestyle
- Performance Range: Expressive facial presence, adaptable posing, cinematic movement
- Attributes: Timeless elegance, photogenic versatility, global appeal
- Creative Collaboration: Comfortable working with directors, photographers, and creative teams to bring unique visions to life

Training & Development

- Fashion runway movement & posing (AI modeling workshops / campaign practice)
- On-camera performance for cinematic visuals

Availability

- Open to editorial, commercial, fashion, and on-camera projects.
- Available for both digital campaigns and remote AI-driven productions.
