## Your Enchanting Alto Voice

I'm a seasoned voice talent and on-camera actor with a passion for client satisfaction. I take direction easily, and I love nothing more than collaborating with a client, adding value to their end product, and having enormous fun along the way.

As a voice actor, I specialize in narration, audiobooks, automotive and political ads, animation, and audio dramas, as well as VO for films.

As an on-camera actor, I specialize in background and supporting roles.
