

ETHAN JONES

Atlanta, GA
Stage & Film Actor

PROFILE

I am a 12 year old rising star with a passion for the stage and screen. My love for acting sparked at age 9 while taking acting classes. Since then, I have performed in 6 theatre productions. In 2024, I began working as a background actor and I love being on set and using my acting skills to bring characters to life. My goal is to have a featured role in film or television.
