

Jake Johnson – Aspiring Model

About Me:

I'm Jake Johnson, 19 years old, and I've always had a passion for being in front of the camera. My dream isn't about fame or fortune — it's about becoming an inspiration to others, spreading positivity, and bringing uplifting energy into every space I step into. Raised in Weston, West Virginia, I carry the work ethic and grounded values I learned from the mountains into everything I do.

Along with modeling, I love creating content and sharing positivity across social media. I'm a public creator on Snapchat, Facebook, TikTok, and Instagram, where I connect with people through authentic and uplifting content.
