# Mya Rainn Delandro

I have a rich and complicated identity.

Half Australian and half Vietnamese, I was born in Malaysia, grew up in Singapore, hold Australian and Canadian passports, read, write and speak fluent Mandarin and recently moved to Sydney.

Ever since my first audition for a TV commercial at the age of 5, I have been passionate about the performing arts. I am a quick learner, highly adaptable, and always ready to take on new challenges.

## Experience

### Moana - live action musical

Canadian International School, Singapore

- Played several background characters which helped me learn to remember songs, stage placement and dances.

### Singing In the rain - the musical

- I played the manager for Lina Lamont, and had to dance, sing and act and learnt to appreciate how to show a greater range of emotion in my acting.

### Grim Tales

United World College Southeast Asia, Singapore

- Unable to audition for a lead role, I became production support and stand in for several minor roles.
