My name is Nicholas, but I'm often mistaken for Aubrey Graham, aka Drake. I recently competed in the Drake look-alike contest in Toronto and was featured on the cover of TMZ, as well as in Complex, People, @champagnepapi's Instagram, and @theshaderoom. Since then, I've been covered as Drake's doppelgänger in outlets like Yahoo UK, NewsBreak, and many more. I'm passionate about surf and skate culture, which has taken me around the world. I live a wellness-focused lifestyle and am a regular at my local yoga studio. In my spare time, I enjoy walks with my rescue dog, Sully, a mix of Great Dane, Boxer, and Mastiff. I've also had the opportunity to work in commercial projects, including a shoot for Spirit of York Distillery.
