

ABOUT ME

I was born in Los Angeles CA, I was living a normal life everything was great, but everything changed in 16 years my grandma and older brother was too strict on my only brother sister, they told us to clean everything that we have to do if we don't do anything she called us stupid and hit us, so for my lifetime I wanted to become an actor and be on screen to the people and my friends in school, it's my dream to be actor when I was a child, so I wanted to meet tons of celebrities that are my favorites and singers too, so my parents and my whole family will be proud of me to be an actor, and not my grandma and older brother they will not be proud of me, so please I love guys I hope you guys will hire me to be in any movies that are releasing, so Thank You Guys So Much
