

# CHARLE TAYLOR

*Performer*

## ABOUT ME

I am an experienced performer, leading with singing and stage work. As a previous girlband member signed to a record label in Berlin, I have excelled in confidence in myself with my small town humble assets. I have acting, dancing and modelling experience from my many years of working in theatre, film, music videos and commercial. Assistant on film production, music videos, art department, script-writing and songwriting. My hope is to impact power on the people through my creativity and association through the arts.
