Skills

I'm a hands-on learner, and I love working in fast paced environments. Connecting with guests is something I enjoy doing. I'm dependable, reliable, and I can handle just about anything thrown at me. I work well alone and in a group setting.

Experience

May 2022 - August 2024

Cedar Fair, Fruitland, Michigan – *Lifeguard*

- I am CPR certified, and I learned how to do unconscious rescues, as well as conscious rescues
- This job helped me strengthen my ability to work in a group setting
- I also learned how to deal with guests that were upset about a specific situation. Now I know how to handle situations like that on my own, and I know when to ask for help.
- I also worked as a sales associate in all of the merchandise stores, and was also a cashier in the stores at Michigan's Adventure.

December 2024 - Present

Hollister, East Lansing – *Content Creator*

- I create content for Hollister and help promote their college clothing
- I also help monetize content so different audiences can see what I'm posting

March 2024 - May 2024

Delta Hotel at Walker's, Muskegon – *Hostess*

- I learned how to properly sit guests and communicate with them.
- I bussed tables, and took some orders here and there
- This job helped me strengthen my talking skills, and to talk more clearly.

January 2025- April 4th 2025

CNA- Carewatch of Michigan

Helped older people around their house (it was in home care) taking their vitals, making them food, bathing them and giving them a shower etc.

I never worked night shifts, i was always working in the day time.

Education

August 2024 - Present

Michigan State University, East Lansing - *Some college I'm a freshman studying in the medical field*

I'm a student athlete at Michigan State University, running track and field and cross country. I also coach younger athletes how to build their brand, meaning NIL. I came to Michigan State with zero NIL. Now I have so many deals, and my audience has grown so much. I'm really good at talking with people, and developing healthy relationships.
