SUMMARY

My name is George, and I'm writing to express my interest in joining your agency. I'm a dedicated Law Enforcement Officer with over 33 years of experience, in the Criminal Justice System. I have been a police detective with the Providence Police Department for the past 12 years, and I've been a police officer for 21yrs. During my career I've worked as a member of my departments Investigative Bureau as well as being a full-time member of a specialized unit within the Federal Bureau of Investigations (VCAC HTTF) that deals with Human Trafficking and the exploitation of women, children and the elderly.

During my time working as a detective, I've conducted high level investigations in the above-mentioned areas, and I also have experience dealing with cases of fraud and cybercrime. In the past 10yrs. I have traveled the country as a lead presenter of criminal case studies which focus on Human Trafficking and approaches/techniques for law enforcement when dealing with sexual predators. I've also received training through the Department of Justice in an effort to train law enforcement officers on how to properly respond to cases involving elder's exploitation. I have also obtained Top Secret Security Clearance via the Federal Bureau of Investigations.

Along with my professional experience in Criminal Investigations, I have excellent technical and interpersonal skills that make me a strong candidate for this position. To increase my knowledge of Criminal Investigations I have received training, at the federal, state, and local levels, in criminal investigative techniques. I also have strong project management skills and my communication skills allow me to collaborate with my fellow colleagues and to work as part of a team.

I've attached my resume to this document, along with contact information for three professional references, including a former supervisor. Please contact me if you have any questions about my criminal investigating qualifications or professional goals. Thank you for your time and consideration. I look forward to speaking with you at your earliest convenience.

Sincerely,
George
