ASPIRING FASHION MODEL

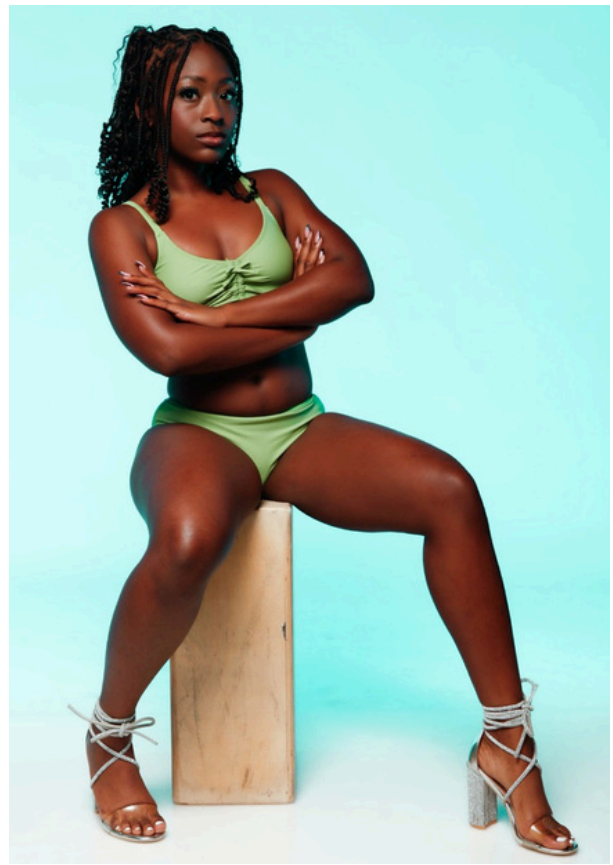

ABOUT ME

Hello, my name is Sheniyah. and I have had a profound love for modeling since a young age, but I never had the motivation to pursue it. Recently, I made the decision to finally put my foot into the modeling world. Growing up, I have always been told that I look like a model, walk like a model, and have a model attitude, I used to watch runways on TV, and look at magazines I saw. As a new model, I am willing to learn and pursue different paths to become my best self in this industry. I am looking forward to working with the best of the best mentors, photographers, and designers because, when people see Sheniyah, they see excellence. Whether its modeling, sports, or even singing.

I would be honored to have the opportunity to be signed to a modeling agency and experience the different sides of modeling and get a chance to be a part of the modeling world. I aspire to be the next Alex Consani and make strides in modeling for myself. I want to be a model because I would love to showcase my raw beauty and talents.
