## WORK HISTORY

### CORRECTIONAL OFFICER

05/2022 to CURRENT

#### State Of Minnesota | Stillwater, MN

- Managed high-risk situations with professionalism and composure, ensuring the safety of all involved parties.
- Searched cells of inmates to identify and confiscate contraband and other prohibited items.
- Maintained inmate safety through vigilant monitoring of behavior and swift intervention during conflicts.
- Reduced instances of contraband by thoroughly searching inmates, cells, and common areas.
- Escorted inmates to and from cells, court, hospitals, and medical appointments.
- Assisted in the training of new correctional officers, providing guidance on best practices and procedures.

### EXPO

08/2019 to 04/2023

#### Muddy Cow | Stillwater, MN

- Communicated food orders to chefs to execute priorities and special requests.
- Demonstrated adaptability by quickly adjusting to changes in menu items or special requests from guests.
- Adhered to strict hygiene standards, minimizing potential contamination risks for guests.

### INFANTRYMAN

03/2021 to 08/2022

#### MN National Guard | Stillwater, MN

- Communicated effectively with superiors and subordinates alike, facilitating smooth execution of orders during high-stress situations.
- Developed soldier skills by providing guidance on marksmanship, physical fitness, and tactical maneuvers.
- Maintained strict discipline within the ranks enforcing adherence to military standards and regulations.
- Enhanced team efficiency by conducting regular training sessions and tactical drills.
- Trained in use of tear gas, passive ordnance, and explosives.

### FRAMER

09/2021 to 11/2021

#### JL Schwieters Construction | Hugo, MN

Great team building job with a great crew. A lot of manual labor and taught me more than I could ever hope to know. Although I wasn't with them for long it was a great experience

- Maintained a clean work environment by organizing materials and removing debris at the end of each day.
- Accurately and safely installed wall, roof and floor structures according to blueprints, customer requests, and available inventories.
- Enhanced overall project efficiency by accurately measuring and cutting materials for framing projects.
- Cut and joined wood, using precise measurements and proper techniques to create frames of different sizes
