Professional background

"The Lion King" has professionally shaped me. As the Main Actor little Simba, I performed in 60 shows, embarking on an unforgettable journey into the world of stage art. This experience ignited my passion for acting and transformed me into a professional artist. The hard training I underwent for emotional expression, singing, and dancing was instrumental in my development.

Other professional training

2022 – 2023 **Film Fighters: Toni Balboa Stunt & Film-FightTraining**
